		FOIA request to the State Department for all emails and internal records from the US Embassy in Phnom Penh since Jan. 1, 2012, regarding: 1) The Peace Concert series (the aim of the Peace Concerts "is to educate people on the themes of anti-violence and religious tolerance," according to the US Embassy in Phnom Penh.) 2) The "Moderate Voices Program" and the "Muslim Dialogue Program" 3) Any other programs which mention the "religious tolerance" of Muslims in Cambodia. As a side note, the Muslim minority in Cambodia are known as Cham people. I believe these programs are administered by the Office of Defense Cooperation (ODC) at the US Embassy in Phnom Penh. I am not certain of this, but it would be the natural place to start.
